Experience inspirational worship, one of three stimulating seminars ("Spiritual and Relational Vitality," "Qualities of Disciple-Making Churches," "Seven Steps on the Way of Jesus"), two of twelve workshops (6 on Equipping the Saints for Age Group Ministry and 6 on Equipping the Saints for Ministry in California), resources, fellowship, and a meal. Growing faithful disciples requires teachers and leaders who are strong in the faith and equipped to serve.

Plan now to send your teachers and leaders to this important one-day event. The cost is only \$10 per person. Brochures listing the seminars and workshops and church registration forms are available through your church office or online at www.mcgba.org.
